Subject: RE: 2014-246 E: I Support Net Metering

Dear Mr. Trimble,

This is to acknowledge receipt of your email to the Public Service Commission of South Carolina. I am forwarding your email to our Clerk's Office for processing. Your email will become a part of Docket No. 2014-246-E and will be posted on our website under this docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling
Administrative Coordinator

Subject: 2014-246 E: I Support Net Metering

Dear Public Service Commission Public Service Commission,

To Whom It may concern :

It's about time especially given the amount of Sunshine we have in SC!

Sincerely,

James Trimble

Subject: net metering costs to me

Please do not implement net metering which will cost those like me who are on fixed income. Solar producers have already received a 30% subsidy. Please be fair!

Thank you.

Subject: net metering

I have been reading about net metering and have discussed it with friends. I encourage you NOT to pay solar producing customers in a way that costs your regular customers, many of whom are on fixed incomes. Please listen.

Thank you.
